

LTC & RH Consult Line

24/7 Telephone Access to
General Internal Medicine Specialists*

1-8338-2HELPU

(1-833-824-3578)

FOR PHYSICIANS, NURSE PRACTITIONERS
AND MEDICAL DIRECTORS CARING FOR
RESIDENTS IN LONG-TERM CARE &
RETIREMENT HOMES.

24 HOURS A DAY / 7 DAYS A WEEK

Please call if:

- **You require timely access to supplementary support from a general internal medicine specialist (e.g., interpreting test results, choosing pharmaceutical treatments, etc.)**
- **You are unsure about how to best manage a resident's acute clinical change and may be considering a transfer to hospital**

*Organizations with access to similar programs in their region (i.e. the LTC+ program in Toronto region) are encouraged to continue to use those programs. Services are available at no cost to homes. Access available until October 30, 2020.
