

TEGH – Eligibility Criteria

Our referral criteria:

Patients should be

- COVID Positive test result, or high PUI based on COVID No Lab and ISARIC scores (on back of referral form), AND;
- Unvaccinated, OR;
- Comorbid (see referral form for a list of comorbidities), OR;
- Unattached to primary care

Please contact Jess or Andrea for exceptions

NOTE: We do accept COVID positive Pediatric patients who are from multi-child households, OR who have unvaccinated parents or COVID positive/sick parents
