## MEMO

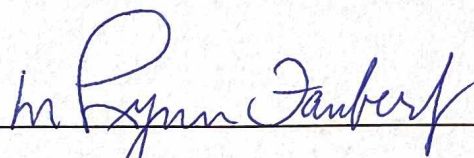

*Re: McMaster Molecular Medium Expiry Extension*

As per the labelled tubes of McMaster Molecular Medium for research purposes, the original expiry date assigned to the following batches (see Table 1) were defined based on available data at the time of manufacture. As additional data has been obtained, the expiry dates of the following lots have been extended. Refer to the chart below for the new expiry dates.

*Table 1. New Expiry Date assignment for three lots of MMM*

Medical Device	Lot #	New Expiry Date
McMaster Molecular Medium (MMM)	603607	September 2023
McMaster Molecular Medium (MMM)	603608	July 2023
McMaster Molecular Medium (MMM)	532-3071	July 2023

If you require any further information, please contact the number on the instructions for use information.
