ACCOUNTABILITIES

Pursuant to Ontario Health's commitment to advance stroke care, the successful candidate will work with the VP, CorHealth, Clinical Institutes and Quality Programs (CIQP) Portfolio to:

- Provide visionary leadership to set system strategy for the planning, implementation, and evaluation of stroke services across the continuum
- Advance stroke-related strategic objectives, system operations, and deliverables to improve high-quality patient care
- Liaise with and provide guidance to a broad range of local, regional, and provincial clinical and administrative stakeholders to advance stroke clinical priorities
- Support and strategically guide the development and implementation of a provincial performance measurement and monitoring framework
- Collaborate with Ontario Health and stakeholders to champion system quality improvement strategies and initiatives
- Provide evidence-informed guidance to Ontario Health leadership to address emerging issues in stroke care (patient care, access, and quality)
- Strengthen system partnerships to foster, build, and maintain strong working relationships to support a strategic vision for advancing stroke clinical priorities across the continuum of care

- Support collaboration within Ontario Health to align stroke clinical priorities with broader Ontario Health priorities
- Lead and participate within internal and external governance structures, including leadership planning meetings, the Ontario Health Board of Directors, and/or provincial/national and international meetings and conferences
- Collaborate with the stroke clinical community and provide expert knowledge to Ontario Health – CorHealth and CIQP staff to drive evidence-informed practice

QUALIFICATIONS

- At minimum, 5 - 10 years experience as a licensed Physician with Stroke expertise in Ontario
- Currently practicing in Ontario
- Recognized as a credible stroke expert among peers
- Clinical leadership experience within health care and/or academic institutions
- Knowledge of clinical, administrative and system issues with respect to stroke services
- Experience in working collaboratively with multiple stakeholders to improve stroke care for patients across the system
- Strong professional presence and ability to present to large and small audiences in a concise, articulate, and dynamic fashion
- Enthusiasm for, and commitment to, quality improvement in stroke care at the system level
- In depth knowledge of patient, provider, and system-level challenges in the stroke care field

MORE ABOUT ONTARIO HEALTH:

Ontario Health is an agency created by the Government of Ontario with a mandate to connect and coordinate Ontario's health care system in ways that have not been done before, to help ensure that Ontarians receive the best possible care.

Ontario Health oversees health care delivery across the province, which includes ensuring front-line providers and other health professionals have the tools and information they need to deliver the best possible care within their communities. This also means simplifying the current system and connecting and coordinating its many complex parts in new and innovative ways. This involves keeping a close eye on how the health system is performing and providing evidence-based standards and improvements to address any gaps.

Ontario Health helps to support significant and important transformation in Ontario's health system, working to ease the transition between points of care for Ontarians and helping to ensure they have access to the care they need. Ontario Health is adapting world-renowned practices from areas such as cancer care and renal care to other parts of the system, including mental health and addictions.

Through integration, coordination, connection, and clinical excellence, Ontario Health is working to reduce strain on the system which will enable investment of more resources on the care Ontarians need, and, most importantly, improve health outcomes and overall wellness for all.

As an operational service agency of the Government of Ontario, Ontario Health is accountable for conducting a fair and transparent process, providing equal treatment to all qualified parties, in selecting a candidate for the above mentioned role.
